## **A Scientific Theory of Culture and Other Essays** Bronislaw Malinowski

The book was published posthumously in 1944 and represents both a reevaluation and summing up of Malinowski's functional theory of culture. Polish born Bronislaw Malinowski is credited as one of the world's greatest anthropologists, renowned for marrying the living realities of human life with the cold calculations of science. A necessary addition to the bookshelf of any collector of Malinowski's work or student of anthropology, this classic volume is republished now with a introductory biography of the author.
