There are countless helpful resources available to the small group leader. As managing editor of [smallgroups.com](http://smallgroups.com), Sam O'Neal has seen the best of them come and go. They tend to deal with the big *vision* of small groups--how they can revolutionize your church and transform your congregation. Or they consider the big *idea* of small group ministry, how it reflects God's communal vision for us. But sometimes a small group leader just wants to know *how to survive the next meeting*--not how to instruct and correct or shock and awe, but simply how to set the table for a life-changing encounter with God.

*The Field Guide for Small Group Leaders* focuses in on the small group gathering as spiritual event. Useful to newly minted leaders and as a ready resource for small group experts, this go-to guide helps leaders prepare themselves to prepare their groups for the adventure of a collective encounter with a great God.
