Impasse: A Novel Royce Scott Buckingham

In Royce Scott Buckingham's *Impasse*, a man is left to die in Alaska while on an "adventure vacation" and must somehow survive to get his revenge on those who betrayed him.

Forty and facing a mid-life crisis, Stu Stark has lost his mojo. He simply gave up after being fired from his prestigious job as a prosecuting attorney for losing the biggest case of his career. So when Stu's best friend gifts him a one-week trip into the Alaskan wilderness to rediscover his manhood, Stu thinks it just might do him some good. But after a horrible week, Stu is crushed when he realizes that no one is coming back for him. Dying, Stu is found by a grizzled old hunter who informs that winter has set in, and they're not going anywhere for a while.

So begins Stu's training to become the man he never was...and to get revenge on those who betrayed him. This adult debut by the internationally bestselling YA author is a modern day take on *The Count of Monte Cristo*.
