The All Sorts Of Stories Book: Illustrated & Annotated Edition Andrew Lang

For a generation Andrew Lang has delighted the children, and grown-ups too for that matter, with his fairy books. This is of a new sort, for the tales are of many different kinds. Some are true, like the history of the man who met in America the other man whom he had seen hanged for murdering in England. Then we have several stories of adventure that happened to historic personages, besides stories of treasure hunts, Greek mythology, wild witches and red Indians.

" There are no more delightful fairy tales than those written, translated and adapted by Andrew Lang. He has eliminated the gruesomeness from the old best loved fairy tales, and introduced many less familiar tales of other lands, equally fascinating. These books should be given to every child." - American Motherhood.

This book is fully illustrated and annotated with a rare extensive biographical sketch of the author, Andrew Lang, written by Sir Edmund Gosse, CB, a contemporary poet and writer.
