The End of Words: The Language of Reconciliation in a Culture of Violence (Lyman Beecher Lectures on Preaching) Richard Lischer

With chapters on vocation, interpretation, narration, and reconciliation, "The End of Words" shows how faithful reading of scripture rather than flashy performance paves the way for effective preaching. Lischer challenges conventional storytelling with a deeper and more biblical view of narrative preaching. The ultimate purpose of preaching, he argues, is to speak God's peace, the message of reconciliation.
