Hernán López de Yanguas

Triumphos de locura (Clásicos Hispánicos nº 4) (Spanish Edition) Hernán López de Yanguas

Los "Triumphos de Locura", compuestos hacia 1520 por el bachiller soriano Hernán López de Yanguas, participan de un común interés por el tema de la locura y de la figura del loco sobre los cuales el humanista de la época proyecta una mirada que no hubiera desdeñado el antropólogo de nuestros días. El poema, planteado como un itinerario laberíntico, se sirve de una severa crítica de la sociedad de su tiempo y de los individuos que la componen para expresar, en última instancia, una resolución de renuncia de la razón humana. Su autor nos invita a despertar la conciencia, que es la vía para alcanzar la sabiduría que yace en la intimidad de sí mismo y emana de Dios. Cerca de quinientos años después de su publicación, la obra, pendiente hasta la fecha de edición crítica, sigue manteniendo una extraordinaria vigencia en su significado, que trasciende el propio al sistema de prácticas y de creencias en el que se inscribe para encajarse en una interrogación atemporal sobre la vida, la muerte, el más allá y los fundamentos del ser.
