Story Behind the Book

"Over the years, I have done a lot of funerals and memorial service. I have visited people who were literally at death's door, and I can tell you that when life comes to an end, there are three things that will really matter to you: faith, family, and friends. Of number-one importance will be your faith, your relationship with God. I have heard more people say with regret, 'I wish I had spent more time walking closely with God. I wish I had made more time for spiritual things.' They recognize the fact that they will stand before God Almighty. How sad it is when people realize they have squandered their lives. This book is about helping you avoid that regret." —Greg Laurie
