Friends with very naughty benefits...

Mallory Brandt needs a change. The kind of change that makes a gal close her Hollywood bar, move 1400 miles across the country and start a new life in Blackfoot Falls, Montana—in four weeks. Coincidentally, that's how long her oldest friend, Gunner Ellison, has been out of the country...and since they had super-hot, tequila-fueled sex for the first time.

And man, Gunner is pissed. Mallory never returned his calls, never told him she was leaving. Now he's shown up in Blackfoot Falls—and he's not leaving until he gets answers. Only problem is, their searing chemistry keeps getting in the way, distracting them both from the feelings they're afraid to acknowledge...and the fact that their friendship will never be the same!
