**GONE - Part One (The GONE Series Book 1)** Deborah Bladon

The first part of GONE, a three-part series from New York Times and USA Today bestselling author, Deborah Bladon.

Sending a half-naked picture to a stranger she met online, seems innocent and fun to Lilly Randall. After spending the past four years working towards an honors degree, she needs a distraction and flirting with a man she doesn't know can't hurt, right?

Clive Parker is the one man who holds all of Lilly's dreams in the palm of his hand. He's the CEO of one of the world's largest technology firms. When her picture ends up in his pocket, her future will never be the same again.

She wants him to see her potential. He questions her motives. Neither can deny the unexpected attraction that exists between them.

When Clive's doubts begin to push them apart, Lilly is forced to face the reality that nothing in life is guaranteed and in the blink of an eye, everything you value can be gone.

Note: This ends in a cliffhanger. Parts Two and Three will be released within the next few weeks.

**The entire series is now complete and available as a bundled set here on Amazon!**
