La guerra bajo el cielo (Spanish Edition) A.B.J. Sutter

Nur, creador del cielo y la tierra, ha abandonado su trono en los altos cielos y dejado su Luz a los Anurdeos menores, guardianes de la frontera entre ambos mundos, lo cual ha desencadenado una guerra celestial entre Anurdeos. Huestes de ambos bandos se han encarnado y caído a la tierra, sin recuerdo alguno. Al borde de la derrota, uno de los pocos inmortales fieles a Nur que no han sido desterrados ha despertado a diez durmientes (seres sin alma, aunque sabios) y los ha nombrado guardianes de la Luz de Nur. Los diez sólo saben que deben ocultar la Luz de los demonios que han irrumpido en la tierra y entregársela a su portador, pero tendrán que descubrir por sus propios medios cuál es su lugar en los designios de Nur. Fallar no es opción: los caídos sin alma se perderán en la nada y el olvido. Pronto descubrirán que es imposible mantener su misión en secreto. Para protegerla, se enfrentan a decisiones difíciles, que siembran la discordia entre ellos y ponen en peligro su cometido. Pero igual de grande que la misión es su recompensa: lo único que asegura la eternidad, un alma imperecedera... el alma de un dragón.
