NECESSARY RISKS

Mack Bolan is searching for suitcase nukes in the treacherous backcountry of Pakistan. The deadly weapons are being developed by internal factions determined to vaporize neighboring India. It's a suicide mission—one Bolan takes on with deadly determination.

Aiding a group of dissidents committed to stopping a deeply rooted conspiracy that could lead to the annihilation of the Indian subcontinent, Bolan adjusts his angle of attack as a relentless enemy races ahead on their doomsday timetable. But in a part of the world where an international shouting match can turn into mutually assured destruction, all the Executioner needs is for his enemy to make one critical mistake.
