This is an updated version of the ebook. And it is ram-jammed full of poems by KEY.

Within its pages you will find the vast majority of the same poems as you'll find in its predecessor. Poems skewering such thorny issues as sex, pancakes, footy and vodka. But, in order to drum up renewed interest, KEY has also added a new poem. And there are also seven new introductions. And KEY has also been allowed to waddle round the text with his Lamy fountain pen, altering and updating. Improving. Making everything just so.
