## **Dead Sea Scrolls and Original Christianity** O. Preston Robinson

“To call the discovery of the Dead Sea Scrolls the archaeological find of the twentieth century is an understatement. The world's understanding of Judaism and early Christianity has been increased to such a degree that I would not hesitate to call it the greatest contribution to non-LDS biblical studies since the Reformation.”

This volume by Donald W. Parry and Stephen D. Ricks answers seventy basic questions for Latter-day Saints, fueling the passion for anyone interested in Dead Sea Scroll research. These answers are divided into eight parts, ranging from a description of the discovery to specific texts and insights.
