## El acertijo de Anahita (Novela (roca)) (Spanish Edition) Meghan Nuttall Sayres

Una fábula encantadora situada en Persia en la que se encuentran el romance, la aventura y las adivinanzas...La historia de una joven que está decidida a tejer su propio destino.«Una historia absorbente que entreteje la cultura persa, la historia y sus circunstancias con el retrato de la vida de una joven y su búsqueda del amor.» School Library JournalCuando el padre de Anahita, una tejedora nómada del Irán del siglo XIX, decide que va a casarla con un hombre que ella encuentra repulsivo, lejos de dejar que decidan por ella, se pone manos a la obra. Se le ocurre que la manera en que podría llegar a escoger al hombre que se convertirá en su esposo es a través de un juego.

Esconderá un acertijo dentro de una de sus alfombras, tejido en ella, para que solo aquel que lo entienda y sea capaz de mirar en lo más profundo de su alma, pueda descifrarlo.Su padre accede a los deseos de Anahita y así empezará el proceso de selección que llegará a oídos de muchos posibles pretendientes y que la llevarán al amor verdadero.
