WORST REGARDS

Slocum knew he'd be turning a few heads riding into the small town of Davis Junction with a dead man slumped over his horse. After a vicious ambush forces him to make a few outlaws into corpses, Slocum figures there might be a bounty for his attackers, and brings one in just in case. But Davis Junction has other things in store for Slocum—namely an unkind welcome from just about everyone in town.

The only exception is a young lady who has her own way of turning heads, not to mention a mysterious past that has long been grist for the gossip mill. And when Slocum gets mixed up with her, his unfriendly welcome could turn into a deadly farewell.

The longest-running Western series in America today, the Slocum adventures by Jake Logan have entertained readers since 1975.
