The Bible and Christian Ethics (Regnum Studies in Global Christianity) David Emmanuel Singh, Bernard Farr

This book contains papers from the Oxford Centre for Mission Studies' quarterly journal, Transformation, on the topic of Christian Ethics. Here, Mission Studies is understood in its widest sense to also encompass Christian Ethics. At the very hearts of it lies the Family as the basic unit of society. All the papers together seek to contribute to understanding how Christian thought is shaped in contexts each of which poses its own challenge to Christian living in family and in broader society.
