The Colored Evangelist - The Story Of The Lord's Dealings With Mrs. Amanda Smith Amanda Smith
What is the place of Amanda Smith in American history? Has she any place there? Mrs. Smith is an historic character. The biography of great women, and especially great women of the Negro race, would be sadly deficient without her. Of this race in the United States, since 1020, there have appeared but four women whose career stands out so far, so high, and so clearly above all others of their sex that they can with strict propriety and upon well established grounds be denominated great. These are Phillis Wheatley, Sojourner Truth, Frances Ellen Watkins Harper and Amanda Smith.

This is her autobiography.
