The Freedman in the Roman World Henrik Mouritsen

Freedmen occupied a complex and often problematic place in Roman society between slaves on the one hand and freeborn citizens on the other. Playing an extremely important role in the economic life of the Roman world, they were also a key instrument for replenishing and even increasing the size of the citizen body. This book presents an original synthesis, for the first time covering both Republic and Empire in a single volume. While providing up-to-date discussions of most significant aspects of the phenomenon, the book also offers a new understanding of the practice of manumission, its role in the organisation of slave labour and the Roman economy, as well as the deep-seated ideological concerns to which it gave rise. It locates the freedman in a broader social and economic context, explaining the remarkable popularity of manumission in the Roman world.

From reader reviews:

Karen Strickland:

Nowadays reading books be than want or need but also be a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge even the information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want send more knowledge just go with training books but if you want really feel happy read one together with theme for entertaining for instance comic or novel. The particular The Freedman in the Roman World is kind of publication which is giving the reader erratic experience.

Carman Robertson:

Information is provisions for people to get better life, information these days can get by anyone from everywhere. The information can be a knowledge or any news even a concern. What people must be consider while those information which is from the former life are challenging be find than now is taking seriously which one works to believe or which one typically the resource are convinced. If you have the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take The Freedman in the Roman World as your daily resource information.

Kimberly Towe:

The actual book The Freedman in the Roman World will bring one to the new experience of reading the book. The author style to clarify the idea is very unique. When you try to find new book to see, this book very ideal to you. The book The Freedman in the Roman World is much recommended to you to see. You can also get the e-book from official web site, so you can more readily to read the book.

Carolyn Lew:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book has been rare? Why so many query for the book? But any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but novel and The Freedman in the Roman World as well as others sources were given know-how for you. After you know how the good a book, you feel wish to read more and more. Science publication was created for teacher or perhaps students especially. Those ebooks are helping them to include their knowledge. In various other case, beside science publication, any other book likes The Freedman in the Roman World to make your spare time far more colorful. Many types of book like this.
