Ben scritto! (Italian Edition) Patrizia Pisano

Scrivere e pubblicare nella rete internet non è più un'esclusiva degli scrittori professionisti, di giornalisti e copywriter. Nella Rete è aumentata l'esigenza di condividere informazioni e contenuti testuali che facciano vendere prodotti e servizi. Cioè, tutti quei contenuti che servono a comunicare agli altri la propria attività, tramite email, articoli, newsletter, post sui social media, report. Ogni imprenditore, professionista, consulente, autore, formatore, ha urgenza di condividere informazioni scrivendo. Si condivide tramite siti internet, blog, social network ma se scrivere può sembrare facile, farsi leggere non lo è certamente: nel web bisogna imparare a scrivere in un certo modo. In questo libro l'autrice propone una guida utile, pratica e completa che aiuta finalmente a non perdere tempo e ad avere sempre sotto controllo ogni progetto di scrittura nella Rete. Una guida che, passo passo, spiega al lettore come operare quando si scrive nel web.
