Fashion Cultures Revisited: Theories, Explorations and Analysis

Fashion Cultures Revisited: Theories, Explorations and Analysis

Following on from the ground-breaking collection *Fashion Cultures*, this second anthology, *Fashion Cultures Revisited*, contains 26 newly commissioned chapters exploring fashion culture from the start of the new millennium to the present day. The book is divided into six parts, each discussing different aspects of fashion culture:

- Shopping, spaces and globalisation
- Changing imagery, changing media
- Altered landscapes, new modes of production
- Icons and their legacies
- Contestation, compliance, feminisms
- Making masculinities

Fashion Cultures Revisited explores every facet of contemporary fashion culture and the associated spheres of photography, magazines and television, and shopping. Consequently it is an ideal companion to those interested in fashion studies, cultural studies, art, film, fashion history, sociology and gender studies.
