How to Pee: Potty Training for Boys Todd Spector

Out with the old and in with the new! Family physician Dr. Todd Spector presents a fresh and outrageously fun way to encourage little boys to give up their diapers. They can try it freestyle (in the backyard!), or give the potty a try with the help of a few props and plenty of imagination. Peeing in the potty is a lot more fun if you do it rocket style, cowboy style, or superhero style!

Inspired by Dr. Spector's own experiences potty training his son, this combination of laugh-out-loud scenarios and useful advice turns the dreaded potty-training process into an exciting adventure for all.
