Postales femeninas desde el fin del mundo (Spanish Edition) Karina Bidaseca, Marta Sierra

Postales femeninas desde el fin del mundo. El Sur y las políticas de la memoria, se trata de una exhalación feminista. Su idea nació en el otoño de Buenos Aires, luego de una conversación colmada de complicidad sobre los viajes de fines de siglo de los expedicionarios europeos a Trapalanda, nombre con el que se conocía la mítica región de la Patagonia. En Postales femeninas desde el fin del mundo se transita la vida de Lola Kiejja, y se pone de manifiesto que es posible pensar una sociedad no regida por preceptos patriarcales.
