Quiero Vivir

P. Mariano de Blas

Quiero Vivir P. Mariano de Blas

Las actitudes son más importantes que los hechos. La forma de reaccionar frente a la vida puede transformar dicha vida. El afrontar los problemas sanamente puede convertirlos en soluciones. Este libro tendrá razón de ser, si despierta, al menos en algunas personas, el deseo de cambiar su actitud de derrota y pesimismo en actitud de triunfo y alegría. Considero que la obra de misericordia más urgente para los hombres y mujeres de hoy, para los muchachos y muchachas de nuestro tiempo consiste en brindarles una razón para vivir. Porque muchos viven sin razón y demasiados mueren por agotamiento vital: cuando se quitan la vida, ya no se quitan casi nada, porque estaban muertos ya. Dar razón para vivir, para sufrir y aún para morir, porque hasta el dolor y la muerte pueden aceptarse por una motivación tan formidable como es el amor. "Se es fiel sólo por amor, se es auténticamente feliz sólo en el amor, se es idéntico sólo amando". El amor es la respuesta, es el por qué, es la primera y la última palabra. Estas sencillas páginas no pretenden ofrecer grandes soluciones, sino pequeños sorbos de optimismo, de interés por la vida; pretenden arrancar una sonrisa a rostros en los que ha cicatrizado la tristeza. Pretenden señalar con el dedo al caminante triste las flores bellas que crecen junto al camino de la vida; Pretenden sembrar en algún corazón semillas de esperanza. Todavía tenemos derecho de sonreír, de esperar, de amar, de ser felices. Los que se hunden en el pesimismo alegan sus razones, razones que no quieren cambiar. Pero el amor es más grande. Y cualquier ser humano, si quiere, puede amar, y así redimirse. Dios es amor. El hombre debe hacer un esfuerzo gigantesco por arrancarse lo inhumano: el odio, la desesperación, el egoísmo brutal, la envidia diabólica, el materialismo seductor. Y debe, por otra parte, luchar por revestirse de lo divino. Lo divino es el amor.
