Swing trading is gaining popularity as a powerful method to increase returns—and potentially lower risks—by profiting from short-term price moves. The Master Swing Trader explains how traders can use technical analysis, charting, and market sentiment to make trades that hold through price fluctuations and noise with wider stops. This complete, practical guide to making profitable short-term trades—based on the author’s popular “Mastering the Trade” online course—uses dozens of charts and graphs to illustrate proven swing trading concepts and strategies. Experienced day, position, and online traders will benefit immediately from: - The 7 Bells – unique tools to uncover promising short-term prospects - Techniques to profit from low-risk short sales - The 4 repeating cycles for perfectly timed trades
