Will the real princess please stand up?

Carlita Santaro has never felt like a "proper" princess, and she's finally escaped the palace for the small town of Winter Haven.

Daniel is an award-winning journalist, but now, as a single dad, he's working on a gossip show—better hours but rock-bottom morals. His boss orders Daniel to test suspiciously down-to-earth Carlita—is she really royal, or just posing as a princess?

Carlita captivates Daniel, but soon he'll have to choose: Should he follow the headlines, or his heart?
