The Slide: A Novel Kyle Beachy

At once an offbeat love story, a moving portrait of a family in crisis, and a darkly funny American comedy, Kyle Beachy's arresting debut novel—written in prose that is swift, stunning, and sweet—heralds the arrival of a remarkable new voice in fiction.

Potter Mays retreats immediately after college graduation to the safe house of his childhood home. Like clockwork each morning, his mother makes him eggs, lovingly fried into hollowed-out pieces of toast. His father, in the midst of a campaign to revitalize downtown St. Louis, promises to “poke around” for gainful employment for his son. Potter's best friend, Stuart—an “Independent Thought Contractor” working out of his parents' lavish pool house—is willing to serve as a kind of life coach, provided, of course, that Potter pays for his services all summer.

However...

Altogether elsewhere, Potter's (former? future?) girlfriend, Audrey, is backpacking around Europe with her beautiful bisexual traveling companion, Carmel. Potter was not invited, and getting a good night's sleep has recently become an issue for him.

As enigmatic packages arrive from Audrey, the refuge of life at home soon proves illusory. Potter's parents are oddly never in the same room together, the neighbor girl is looking quite adult, and Stuart's much-needed counseling service is subcontracted to a third-party denizen of the pool house with an agenda all his own. And just what are those noises coming from the attic?

Kyle Beachy has woven a uniquely affecting story of the long and hard, then quick and hard, struggle to grow up.

From the Trade Paperback edition.

From reader reviews:

Chris Gibbons:

Book is to be different per grade. Book for children till adult are different content. As it is known to us that book is very important for us. The book The Slide: A Novel has been making you to know about other information and of course you can take more information. It is quite advantages for you. The e-book The Slide: A Novel is not only giving you a lot more new information but also to be your friend when you really feel bored. You can spend your personal spend time to read your guide. Try to make relationship together with the book The Slide: A Novel. You never feel lose out for everything in the event you read some books.

Phyllis Spencer:

This The Slide: A Novel is great reserve for you because the content that is full of information for you who have always deal with world and have to make decision every minute. This specific book reveal it info accurately using great arrange word or we can say no rambling sentences in it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but difficult core information with attractive delivering sentences. Having The Slide: A Novel in your hand like getting the world in your arm, data in it is not ridiculous 1. We can say that no book that offer you world within ten or fifteen moment right but this book already do that. So , this is certainly good reading book. Heya Mr. and Mrs. stressful do you still doubt that?

Dora Champagne:

Is it you actually who having spare time after that spend it whole day by watching television programs or just laying on the bed? Do you need something totally new? This The Slide: A Novel can be the respond to, oh how comes? A fresh book you know. You are consequently out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these publications have than the others?

Mildred Ralph:

E-book is one of source of information. We can add our expertise from it. Not only for students but also native or citizen want book to know the change information of year to be able to year. As we know those publications have many advantages. Beside most of us add our knowledge, also can bring us to around the world. By book The Slide: A Novel we can consider more advantage. Don't one to be creative people? To become creative person must like to read a book. Just simply choose the best book that appropriate with your aim. Don't possibly be doubt to change your life at this time book The Slide: A Novel. You can more desirable than now.
