You Can Fly! (Kindle edition) Greg Brown, Laurel Lippert, Tom Lippert

This is the Kindle edition of this title.

For those who have always dreamed about flying but didn't know where or how to start — now they can take that long-awaited first step with some guidance. Reading this book is like getting an insider's preview of what flight lessons entail and what things to consider before taking the plunge and starting flight lessons. Authors Greg Brown and Laurel Lippert write to those who are considering flight training, specifically to answer frequently asked questions about it, and at the same time entice more people into exploring general aviation. The authors in a welcoming way, along with gorgeous photographs by Tom Lippert, reveal to the non-flying public the romance and adventures found in flying by centering their focus on the many joys and benefits of flight, and leaving out the dull "FAA verbiage" found in other learn-to-fly books. *You Can Fly!* is the perfect addition to a flight school library, FBO, or aviation enthusiast's collection. This is truly a one-of-a-kind, fun, exciting and informative book on flying for prospective pilots.
