A great masterpiece never before available in English, *Kornél Esti* is the wild final book by a Hungarian genius.

Crazy, funny and gorgeously dark, *Kornél Esti* sets into rollicking action a series of adventures about a man and his wicked doppelgänger, who breathes every forbidden idea of his childhood into his ear, and then reappears decades later.

Part Gogol, part Chekhov, and all brilliance, Kosztolányi in his final book serves up his most magical, radical, and intoxicating work. Here is a novel which inquires: What if your id (loyally keeping your name) decides to strike out on its own, cuts a disreputable swath through the world, and then sends home to you all its unpaid bills and ruined maidens? And then: What if you and your alter ego decide to write a book together?

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Kornel Esti (Ndp; 1194) can make you feel more interested to read.
