## **Literatura Negro-Brasileira (Portuguese Edition) Cuti**

Esta obra trata da vertente da literatura brasileira que contempla, em poesia e prosa, as vivências da população afrodescendente. O livro discute temas como autocensura, identidade textual e vida literária. Destaca, ainda, os autores imprescindíveis para o processo histórico dessa vertente que alcançou significativo patamar com os trinta anos de edição ininterrupta dos Cadernos Negros, coletânea anual de poemas e contos. Num momento em que nosso país depara com temas polêmicos, como o Estatuto da Igualdade Racial e as cotas em universidades, a Coleção Consciência em Debate pretende discutir assuntos prementes que interessam não somente aos movimentos negros como a todos os brasileiros. Fundamental para educadores, pesquisadores, militantes e estudantes de todos os níveis de ensino. Coordenação de Vera Lúcia Benedito.
