You were born in God's imagination before you were ever conceived. All the talent, gifting, and creativity you possess was placed in you by God Himself. Can you imagine the things you could do, the impact you could have on the world, if you tapped into the dreams God has for your life?

In *The Uprising Experience*, a companion workbook to *Uprising*, Erwin Raphael McManus invites readers to join a revolution of the soul. With interactive exercises, probing questions, and space for creative reflection, he helps readers to find their true purpose and destiny in the pursuit of God. He invites them to be part of a radical revolt that changes a life of imitation and mediocrity to one of passion and character.
