Cackling In Canada Jesse James

A tale of mafia, hogs, contract killers, backwoods justice, and vendettas. Follow Sara as she chases Manny the man eater into Canada with her new sidekick. This is the sequel to Giggling in Fairmont, released in 2014. If you loved the splashes of erotica, violence, drug use, and rock n roll in the first book, you are going to be taken deeper down the rabbit hole in this story. Someone has to feed the hogs... after all they are always hungry.

Jesse James is a West Virginia native that traveled extensively writing about personal experiences. Some wonder if any of his tales really had any ties to growing up in Appalachia.
