Life seems perfect in Valley Farm, a quiet community in Northumberland. Then a shocking discovery shatters the silence. The owners of a big country house have employed a house-sitter to look after the place while they're away. But he is found dead by the side of the lane into the valley.

DI Vera Stanhope arrives on the scene with her detectives Holly and Joe. When they look round the attic of the big house, Vera finds the body of a second man.

As Vera is drawn into the claustrophobic world of this increasingly strange community, she realizes that there may be deadly secrets trapped here . . .

The Moth Catcher will be episode three of ITV's *Vera* series 6, coming in 2016.
