Almost Over It (Clover Park STUDS, Book 3) Kylie Gilmore

The most aggravating man in the world turns her on...

When Jasmine Davis opens her new dance studio, she's shocked to find she shares the building with orthodontist Will Levi, aka the man she fought with all summer at the community theater. Will is rigid, uptight, and irritating, so why is she so turned on?

Ex-bad boy Will has been living a life of penance ever since he crashed his car, nearly killing his brother. Jasmine is just one more reminder of the life he doesn't deserve, but when one perfect kiss sets them on the slippery slope toward love, they both fear it will end with a crash. What do you do when the one person you can't live with is the one person you can't live without?
