## **Love in a Time of Robot Apocalypse** David Perez

In his debut poetry collection, *Love in a Time of Robot Apocalypse*, David Perez takes snapshots of a world under collapse to show us the parts worth saving. His images activate a new way of seeing. The mundane is no longer insignificant- the nightmare no longer insufferable. Animated and imaginative, the poems salvage memories from the wreckage of the Challenger disaster, drink shots with the poltergeist haunting the local dive bar, and resurrect the wisdom in the harsh words of departed lovers. At times, Perez is terse and pragmatic. *Love in a Time of Robot Apocalypse* beckons us into dark corners in ways that let our eyes adjust, revealing a splendor we would have otherwise surely missed.
