Meditando el management... y la vida (Empresa) (Spanish Edition) Ventura Ruperti, Jordi Nadal

«Algunos libros son como faros, brújulas o como la estrella polar: iluminan, orientan, sitúan y tienen la extraña capacidad de actuar como referente y guía. (...) Otros libros actúan como sólidos cimientos o como puntos de apoyo de grandes palancas para el cambio. (...) También existen libros sumamente necesarios en caso de contingencia, de modo que bien podrían formar parte de un botiquín. (...) Incluso hay libros que son como un bálsamo, como una caricia. (...) Finalmente encontramos aquellos libros que generan una adicción amable como la caricia al ser amado, el olor del pan, el juego con el cachorro, la brisa del mar, el tacto de la hierba, el primer trago de cerveza o el buen café. (...) Pero es francamente difícil que en un solo libro converjan todas esas propiedades. Y eso es precisamente lo que ocurre con *Meditando el Management... y la Vida*. Su lectura atrapa necesariamente porque combina profundidad con pasión, lucidez con ternura, rigor con amenidad, practicidad con la mejor filosofía. Porque *Meditando el Management... y la Vida* no es sólo una amable invitación a la meditación; es sobre todo una propuesta para la acción necesaria y útil cargada de reflexiones excelentes, inteligentes y sumamente prácticas.» Del prólogo de Álex Rovira
