Almost half a century ago, renowned science fiction and fantasy author Andre Norton introduced apprentice cargo master Dane Thorson in *Sargasso of Space*, in the first of the star-spanning tales of the Solar Queen series

In *Sargasso of Space*, the *Solar Queen* free traders win exclusive rights to trade with the planet Limbo, but the crew arrives to find most of the planet's surface charred, with little sign of life. They find a valley with life, but others may still lurk. Worse yet, a strange force threatens to cripple the Queen. They must solve the planet's mysteries if they hope to escape not only with tradable goods, but their lives.
