When Alice Met Danny T A Williams

What's in a name?

Devastated after losing her job, eternal pragmatist Alice leaves London for a new start in Devon. It's there that she meets Danny.

Then she meets another Danny.

And then she meets Daniel – Danny to his friends...

In fact, there seems to be a Danny at every turn! Her neighbour's a Danny; there's little baby Danny; there's a vicar, a windsurfer, even a dog called Danny! And whether it's laughter, comfort, a flutter of romance or a walk along the beach, they each bring something special to Alice's new life.

You might say it's a coincidence. Alice certainly would... at first! But when she suddenly risks losing not just one Danny, but all of them, she begins to wonder: might there be more in a name than she ever guessed?
