Motek Finster

El destino de Motek (Spanish Edition) Motek Finster

En 1996 el autor fue entrevistado en Buenos Aires por una enviada de la *Survivors of the Shoah Visual History Foundation*, cuyo presidente es Steven Spielberg, para grabar su testimonio como sobreviviente de los campos de *Majdanek, Auschwitz, Birkenau, Buna* y la terrible Marcha de la Muerte de principios de 1945, cuando los nazis se llevaron como rehenes a los sobrevivientes de esas fábricas de aniquilamiento, en su retirada hacia el Oeste. "En el futuro lejano --dice uno de los párrafos de la carta personal que le enviara el director de *La Lista Schindler--*, todos podrán ver los rostros, oír la voz y conocer la vida de los sobrevivientes de la Shoah, aprendiendo para no olvidar". Esta carta reavivó en él, un viejo anhelo que hoy se hace realidad: haber podido escribir y publicar sus memorias. Cuando nos conocimos lo primero que le pregunté fue cómo y por qué se había decidido a escribir sus memorias. Él se levantó la manga de su camisa, me mostró el número 126.497 tatuado en la piel y me explicó que un día una de sus nietas, cuando era pequeña, le había preguntado: "Abuelo, ¿por qué te hicieron ese número?" Él le respondió y en ese momento decidió que un día iba a escribir todo lo que recordaba de su vida. Sentía la necesidad de dejar ese legado para sus seres queridos y para todos aquellos que quisieran leerlo. Hablando del título que ya había elegido para su libro, me explicó que era la única forma que había tenido de asimilar, durante mucho tiempo, cómo había logrado llegar hasta el día de hoy después de tantas vicisitudes. Entonces recordé una cita de Oscar Wilde: "*No existen las profecías, el destino no nos envía heraldos. Es demasiado sabio o demasiado cruel para hacerlo*". Y así fue, mientras trabajábamos en su obra, que tuve el privilegio de ser editor de un hombre inusual si lo hay, *Motek*, a quien aprendí a respetar y a querer. Y si el destino tuvo algo que ver en su existencia, su anhelo de vivir le dio la fuerza y el valor para doblegarlo.
