Escaping the Cauldron: Exposing Occult Influences in Everyday Life Kristine McGuire

An eight-year journey through the occult and into freedom

Though Kristine McGuire was raised in a Christian home, at an early age she became fascinated by the occult. At sleepovers she and her friends told fortunes and held séances. As a teenager she was convicted and put all games of mysticism aside. She went to a Christian college and married a Christian man. But despite her decision to follow God, a longing for the occult persisted, leading her to leave her church and husband and to fully embrace witchcraft.

Escaping the Cauldron takes you deep inside Kristine's eight-year journey as a witch, medium, and ghost hunter. Part Bible study, part memoir, it exposes the subtle occult influences that affect us as it reveals how God mercifully delivered her out of the occult altogether and restored her faith and life in Christ.
