Iris (Spanish Edition)

Edmundo Paz Soldán

Iris (Spanish Edition) Edmundo Paz Soldán

En un futuro no muy lejano, en una región tóxica llamada Iris, se encuentra el Perímetro, territorio de las fuerzas colonizadoras. En el Perímetro viven Xavier, un soldado que debe lidiar con una traumática herida de combate, y el capitán Reynolds y su unidad, que, cansados ante las victorias de los irisinos liderados por Orlewen, deciden emprender su guerra particular. El Perímetro es también el hogar de Yaz, una enfermera que se encuentra allí en busca del jün, planta sagrada que ofrece visiones psicotrópicas y trascendencia. Pero el combate no sólo se libra en la capital. La lucha se traslada a Malhado, un valle florido donde -cuentan las leyendas irisinas- vive el temible Malacosa, y a Megara, centro de la explotación minera y de los mitos en torno a Xlött, el dios demoníaco en nombre del cual se inicia la batalla final por la independencia de Iris. Iris es una novela de gran originalidad, un paso adelante en la trayectoria de Edmundo Paz Soldán. Desde la primera página, transporta a los lectores a un mundo tenebroso y los somete a su lógica, a su delirio, a su violencia y angustia. Iris es una distopía arrolladora e hipnótica sobre la forma en que se reinventan los individuos en tiempos de guerra, una fábula desoladora sobre los excesos del poder, y, al final, un relato esperanzador sobre la lucha por la libertad.

From reader reviews:

Yvonne Terrell:

Book is actually written, printed, or highlighted for everything. You can realize everything you want by a book. Book has a different type. We all know that that book is important thing to bring us around the world. Beside that you can your reading expertise was fluently. A reserve Iris (Spanish Edition) will make you to possibly be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think that open or reading a new book make you bored. It is far from make you fun. Why they may be thought like that? Have you looking for best book or suitable book with you?

Fred Polak:

Reading a reserve tends to be new life style within this era globalization. With examining you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story or maybe their experience. Not only the storyplot that share in the books. But also they write about the ability about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some investigation before they write with their book. One of them is this Iris (Spanish Edition).

Tony Jacobson:

Reading a book to get new life style in this year; every people loves to read a book. When you read a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you want to get information about your analysis, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and also soon. The Iris (Spanish Edition) offer you a new experience in studying a book.

Jason Howell:

This Iris (Spanish Edition) is new way for you who has interest to look for some information mainly because it relief your hunger of knowledge. Getting deeper you onto it getting knowledge more you know otherwise you who still having little bit of digest in reading this Iris (Spanish Edition) can be the light food in your case because the information inside that book is easy to get by anyone. These books build itself in the form which is reachable by anyone, sure I mean in the e-book type. People who think that in reserve form make them feel sleepy even dizzy this e-book is the answer. So there is absolutely no in reading a guide especially this one. You can find what you are looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book sort for your better life and knowledge.
