La inteligencia maternal: Manual para apoyar la crianza bien tratante y promover la resiliencia de madres y padres (Spanish Edition)

Jorge Barudy, Maryorie Dantagnan, Emilia Comas, María Vergara
La crianza de los hijos e hijas sigue siendo el resultado de acciones realizadas mayoritariamente por las mujeres, pero gracias a la existencia de un número cada vez más significativo de hombres- pertenecientes a la manada de hombres buenos- constatamos que muchos padres se implican de una forma igualitaria en la crianza de sus hijos e hijas rebelándose del dominio de la ideología patriarcal y creando la esperanza que un cambio cultural es posible. Este libro contiene un manual para compartir nuestro programa, apoyar y promover las competencias maternas de las mujeres, especialmente de aquellas afectadas por experiencias de malos tratos en sus infancias y/o de la violencia de sus parejas, así como de diferentes formas de violencia: violencia organizada, guerras, genocidios, violaciones masivas, tortura y exilio.
