**La trukulenta historia del kapitalismo (Spanish Edition) Rius**

**Varias generaciones de mexicanos han aprendido mucho sobre las "dulzuras" del capitalismo leyendo este libro.**

La trukulenta historia del kapitalismo se publicó por primera vez en 1975 a través de cinco entregas de la legendaria historieta Los agachados, en la cual Rius desarrolló el concepto gráfico-didáctico que lo convertiría en uno de los autores de libros más exitosos de México. Precisamente este libro es uno de sus mayores éxitos, pues en él cientos de miles de lectores han encontrado la información histórica completa - pero perfectamente procesada en sus divertidas páginas, para que sea comprendida por cualquier persona - sobre el sistema económico que domina al mundo en nuestros días.

Se trata de una historia crítica ("Trukulenta" es el término que Rius prefiere usar) ya que denuncia a este sistema porque su propia definición implica la total libertad para el empresario: manos libres harán que los patrones incrementen su capital.
