My Soul Is a Witness: A Chronicle of the Civil Rights Era, 1954-1964 Bettye Collier-Thomas, V. P. Franklin

A powerful and inspiring record of one of the most significant periods in America's history, which presents the full historic scope of the hard-fought battle for civil rights.

From the landmark *Brown v. Board of Education* decision, in which legal segregation in public schools was declared unconstitutional, to the Nashville sit-ins organized by the Student Nonviolent Coordinating Committee, and from the Freedom Rides to the March on Washington, to the subsequent passage of the Voting Rights Act of 1965--and covering everything in between--Bettye Collier-Thomas and V. P. Franklin's *My Soul Is a Witness* is the first comprehensive chronology of the civil rights era in America.

This unique chronology extends the examination of civil rights activities beyond the South to include the North, Midwest, and Far West. Although Martin Luther King, Jr. was a towering figure during the era, the authors shift the focus to the thousands of people, places, and events that encompassed the Civil Rights movement. Each entry is based on information found in articles and reports published in three newspaper and periodical sources: *The New York Times*, *Jet Magazine*, and *Southern School News*. Supplementing the basic chronology are longer features that explore larger topics in more depth and highlight issues well-known at the time but unknown today by scholars and the general public.
