The Pankhearst writers collective ran a monthly Singles Club throughout 2014. Last July, we published *Generic Airport Thriller*, a paperback compilation of our first six releases. This book now completes the set.

Entirely by design, this is a cycle of stories about the so-called fairer sex.

Miss July is Valentina, a slash and burn kind of girl.

Erin is an enabler.

Amelia is all about revenge.

And Evelyn will always be the Most Beautiful Suicide.

Britney and Chardonnay are everything you might expect and more.

While Jade and her menagerie of sisters are something else again.

Jill travels the world in search of her life.

Kate is trapped at home.

And Abigail finds herself at the mercy of the state. Or could it be the other way around?
