## **The New Urbanism: Toward an Architecture of Community** Peter Katz

The move to liveable communities--ideal "small towns" and neighborhoods where people work, live, play, and walk from place to place--is on. Profit from what a visionary group of architects leading this movement has learned about designing new "small towns" in Peter Katz's *The New Urbanism*. You'll discover the amazing potential for this kind of work as well as case studies, site plans, project analyses, and 180 beautiful photographs. This unique reference also tackles--and answers--the critical issues of crime, health, traffic, environmental degradation, and economic vitality and opens a startling window on the look and feel of future communities. Every designer can profit from this guide to building the utopias of tomorrow--today!
