In this hilarious read-aloud featuring robots, fire trucks, and pirates, meet an older sister who's more than happy to fill her little brother in on all he missed while he was napping. Since none of the other neighborhood kids had to nap, they came over. Then came the robots, and of course the astronauts. It was tons of fun . . . and luckily for the boy (right?!), he slept through it all!

Here's a picture book that is sure to ring true in every family with more than one child. With minimal text and raucous illustrations, this laugh-out-loud, spot-on picture book is also a perfect portrait of a mischievous kid at her imaginative best.
