Barry Werth

31 Days Barry Werth

In *31 Days*, acclaimed historian Barry Werth takes readers inside the White House during the tumultuous days of August 1974, following Richard Nixon's resignation and the swearing-in of America's "accidental president," Gerald Ford. The Watergate scandal had torn the country apart. In a dramatic, day-by-day account of the new administration's inner workings, Werth shows how Ford, caught between political expedience, the country's demands for justice, and his own moral compass, struggled valiantly to restore the nation's tarnished faith in its leadership. With deft and refreshing analysis Werth illuminates how this unprecedented political upheaval produced new fissures and battle lines, as well as new opportunities for political advancement for ambitious young men such as Donald Rumsfeld, who had been Nixon's ambassador to NATO, and Dick Cheney, already coolly efficient as Rumsfeld's former deputy. A superbly crafted presidential history with all of the twists and turns of a thriller, *31 Days* sheds new light on the key players and political dilemmas that reverberate in today's headlines.

From the Trade Paperback edition.

From reader reviews:

Sophia Myers:

Here thing why this 31 Days are different and trustworthy to be yours. First of all studying a book is good however it depends in the content of computer which is the content is as tasty as food or not. 31 Days giving you information deeper as different ways, you can find any e-book out there but there is no publication that similar with 31 Days. It gives you thrill reading through journey, its open up your own personal eyes about the thing that happened in the world which is possibly can be happened around you. You can bring everywhere like in recreation area, café, or even in your means home by train. In case you are having difficulties in bringing the printed book maybe the form of 31 Days in e-book can be your alternate.

Joshua Stamper:

This book untitled 31 Days to be one of several books that best seller in this year, that's because when you read this guide you can get a lot of benefit on it. You will easily to buy this book in the book retail store or you can order it by means of online. The publisher of the book sells the e-book too. It makes you quickly to read this book, since you can read this book in your Touch screen phone. So there is no reason to your account to past this book from your list.

Kristi Goins:

Are you kind of busy person, only have 10 or even 15 minute in your moment to upgrading your mind expertise or thinking skill actually analytical thinking? Then you are having problem with the book compared to can satisfy your short space of time to read it because pretty much everything time you only find guide that need more time to be read. 31 Days can be your answer given it can be read by you who have those short time problems.

Gabriel Reyes:

As a scholar exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this 31 Days can make you experience more interested to read.
