## **Are We Not All Mothers?** Sheri Dew

This year marks the ten-year anniversary since Sheri Dew gave her classic general conference address, *Are We Not All Mothers?* For the first time, this talk is available as an affordable gift booklet and makes the perfect gift for Mother's Day. In this inspiring booklet, Sheri Dew lovingly explains that it is a woman's calling to help lead the rising generation through the streets of mortality and that women are the Lord's secret weapon whether they have children or not.

Sheri says, *As daughters of our Heavenly Father, and as daughters of Eve, we are all mothers and we have always been mothers. . . . Motherhood is more than bearing children, though it is certainly that. It is the essence of who we are as women. It defines our very identity, our divine stature and nature, and the unique traits our Father gave us.*
