Introduction:

Favour of God

There are many things in this world that we do not understand. We sometimes see people who have done bad things succeed in life and often those who do good things appear to be less successful. We wonder to ourselves "what is going on?" We may try to use our own judgement to assess what is happening in other people's lives, without fully understanding their situation. Only God knows all things, He is the almighty and He is the all knowing God.

Pastor Bobby Sung is the Pastor of Emmanuel Chinese Church in the heart of China Town, London UK. He is passionate to preach the gospel of the kingdom. His ministry is always filled with God's grace and power. He lifts up the name of Jesus Christ all the time, demonstrating the power of God with healing and miracles. God empowers His words through him to bring transformation to many.

There are many questions that people have asked when it comes to the subject of 'Grace'. Pastor Bobby skilfully takes you on a journey explaining what Grace is and what one may have to encounter when fulfilling the purpose that God has for their life.

In this book, he skilfully tackles the subject of Grace and the life that we as Children of God must live in order to obtain God's Favour over our lives. The words penned in this book are a reminder to the reader that one must position themselves with the right mind to speak words of faith to obtain God's Favour in your life.

I pray that as you read through each page, you are blessed, encouraged, edified and your lives are enriched

in the fullness that all God has in store for you.

'But to each one of us grace was given according to the measure of Christ's gift'. Ephesians 4 v 7.
