## **Hoosiers: A New History of Indiana** James H. Madison

Who are the people called Hoosiers? What are their stories? Two centuries ago, on the Indiana frontier, they were settlers who created a way of life they passed to later generations. They came to value individual freedom and distrusted government, even as they demanded that government remove Indians, sell them land, and bring democracy. Down to the present, Hoosiers have remained wary of government power and have taken care to guard their tax dollars and their personal independence. Yet the people of Indiana have always accommodated change, exchanging log cabins and spinning wheels for railroads, cities, and factories in the 19th century, automobiles, suburbs, and foreign investment in the 20th. The present has brought new issues and challenges, as Indiana's citizens respond to a rapidly changing world. James H. Madison's sparkling new history tells the stories of these Hoosiers, offering an invigorating view of one of America's distinctive states and the long and fascinating journey of its people.
